

INTERNATIONAL CONFERENCE ON SCIENCE AND JAIN PHILOSOPHY

The **International Conference on Science and Jain Philosophy** was organized by **Bhagawan Mahavira International Research Center (BMIRC)**, Deptt of Jainology and Comparative Religion and Philosophy, Jain Vishwa Bharati Institute, Ladnun, Rajasthan during Jan.8-10, 2016 at **Indian Institute of Technology Bombay, Powai, Mumbai.**

The conference has received a big response from all over the world. There were 650 participants in that conference. More than 20 scientists, philosophers and spiritual masters from about 17 countries and about 30 Vice -chancellors, directors and other distinguished delegates delivered their talks. A notable feature of the

conference was technology based presentations including some talks on SKYPE from overseas and India.

The major objective of the Conference was focused to comprehend the Jain doctrines and practices in the light of modern scientific theories, mathematics, law of nature and karma, relativism, logic and to utilize this comprehensive knowledge for the welfare of mankind.

The Conference was inaugurated by **Mr Justice Dalveer Bhandari**, a former Judge of Supreme Court of India and presently a Justice in the International Court of Justice, Hague, The Netherlands. Respected **Munishri Mahendra Kumar ji, Samani Charitra Pragma, VC, JVBI and Dr Samani Chaitanya Pragma, Executive Director of BMIRC** addressed the august audience. A **Souvenir** and an **Abstract** book were published on this occasion. The deliberations of the conference attracted unusual media attention and more than **50 Newspapers** in various

languages like English, Marathi, Gujarati and Hindi covered the grand academic event.
